### The Most Holy Body and Blood of Christ (Corpus Christi):

The symbolic gesture of breaking and sharing bread and sharing the cup, that Jesus made at the Last Supper, symbolised the offering of himself that he would make on Calvary, giving his life for others.

Sometimes we also are called to give our lives for others. We can do this grudgingly or with a generous heart. What difference has it made for you when you were able to give yourself freely?

In his encyclical letter *Deus Caritas Est* Pope Benedict XVI wrote,

'A Eucharist which does not pass over into the concrete practice of love is essentially fragmented.' What has helped you to be aware of the importance of the link between the Eucharist and your lifestyle? Jesus involved his disciples both in the preparation for the Last Supper and in its celebration. Recall times when you had a heightened awareness of participation and involvement in the Mass.

What helped to give you this awareness? Are there lessons from these special experiences that you can bring with you to the routine Sunday Mass?
