### **Thought:**

**How often do I give thanks to God for the fine things that others do – especially if they seem to be muscling in on my turf.**

**Jealousy is often quicker off the mark than generosity.**

**But not always.**

**In today's readings, Moses and Jesus wish that everyone be filled with God's Spirit. The more that Spirit is active in our world the better. It doesn't matter through whom the Spirit works. Criticising someone for doing good is like telling the Holy Spirit whom he may work with.**

**Now that would be arrogant.**
