On Easter Day we still feel pain, our own pain and the pain of others. But a new element has been introduced. It doesn't remove the pain, but gives it a meaning, and lights it up with hope. All is different because Jesus is alive and speaks his words of peace to us. Therefore, there is a quiet joy among us, and a deep sense of peace. Jesus has broken the power of death, and given us the hope of eternal life. Lord, guard this hope with your grace, and bring it to fulfilment in the kingdom of heaven. Hope is a thing with feathers, that perches in the soul, and sings the tune without the words and never stops at all. (Emily Dickinson)
